

Elevated Health

Bi-Level Full Spectrum

FULL SPECTRUM HEAT

Tecoloy medical-grade heaters using patented technology combine with LED panel for near-, mid and far-infrared heating and 360-degree coverage

CHROMOTHERAPY

High output, 96-diode LED panel provides customizable 9-color near-infrared therapy for increased health advantages

MAXIMUM HEAT RETENTION

Generous wood exterior and interior construction with limited yet ample see-through glass ensures less than 5% heat loss for optimal benefits

BI-LEVEL SEATING

Dual benches offer low and high levels for added space plus the option to recline for total relaxation

LOW EMF

18 heaters plus electrical and controllers feature safe electromagnetic frequency levels as verified by outside third parties

BLUETOOTH

Top performing built-in sound system syncs with any compatible smartphone for added relaxation and enjoyment

Specifications
