

Serenity 2

Infrared Sauna

QUALITY INFRARED

Combined heating includes Tecoloy medical-grade and carbon system with LED panel for near-, mid- and far-infrared heating designed for lasting use.

CHROMOTHERAPY

High output, 48-diode LED panel provides customizable 9-color near-infrared therapy for increased health advantages

MODERN DESIGN

Sleek wood exterior and solid construction paired with see-through glass provide comfort and appeal without compromising heat retention.

LOW EMF

7 heaters plus electrical and controllers feature safe electromagnetic frequency levels as verified by outside third parties

BLUETOOTH

Top performing built-in sound system syncs with any compatible smartphone for added relaxation and enjoyment.

ECO-FRIENDLY

High quality wood from sustainable sources for maximum quality and lasting durability plus energy-efficient design
